Dear friends & family,

3/25/08 LA1

Whew!!! The move is complete!!! In all honesty, it's probably been a few of the most exhausting months of my life! I thought I'd be organized & settled by now, but with the myriad of issues (actually on both ends still!) I've got a ways to go...but I'm getting there! Yet, amidst the chaos & confusion, God has shown His faithfulness indeed!

Look how specifically your prayers were answered!!! The prayer requests I included in my last update are printed below, **with the answers following in bold:**

- 1) That God will provide for all the additional relocation & transitional expenses. **He has provided & continues to provide as there are sooo many big & little things that I need/needed. THANK YOU for your giving hearts and please forgive me for being so slow to acknowledge it...I really am so very grateful tho'!**
- 2) For wisdom on the best way to move. **At first, a company moving missionaries seemed a lot cheaper, but when it turned out not to be, I went w/ CCC partnership w/ Wheaton, which did ALOT more work, like loading the truck & packing breakables. Even the delay in delivery (3 weeks) was a blessing in disguise w/ my flea problem here.**
- 3) For His leading on what to do with my car?? Ship, drive or sell? **Photo: The Answer!**

A generous man from my home church gave me a car...a gift more special as it was his late wife's car, who was a dear sister & friend in Christ. Pictured receiving the keys to my new '99 Toyota Corolla! Tho' a few years newer than my Honda, it looks MUCH, MUCH newer...it's a beauty! It's white like my Honda, without all the black NYC trademarks on it! ☺

- 4) To secure an apt in SoCal when I am out for the holidays during end of Dec/early Jan... **As God so often does, He provided the last day I was out! After seeing 20 apts from Long Beach, La Habra, Anaheim to Santa Ana (and realizing I'd have to pay \$100 more than my apt in NYC!)...God provided another incredible apt deal in a great neighborhood in Costa Mesa! The apt tho' \$100 more, hasn't been w/out issues, but makes me grateful for the frustrating search to help me appreciate what I have & gave me a much better understanding of Metro LA, the demographics & changes over the past decade!**
- 5) To end my time in NY well... **I hope & pray that I have!**

Even the difficulty of letting go of things, was a blessing to donate, or sell to staff where they were so happy to get such a deal! And now, God is blessing me thru some amazing bargains on Craig's List...my new favorite place to shop! ☺

THANK YOU for your prayers & partnership that have certainly sustained me this past quarter!
